

## **SERMON GUIDE:**

**January 22, 2028, Pastor Jason Smotherman**

The Church was never meant to be a place where God's people gathered to just talk about HIM, but a place to be together to spend time with HIM.

Hebrews 10:25, Matthew 18:20, John 12:12-19, Mark 3:13-19

He knows, He sees, and yet He still calls!

He also knew, that if his nature could be surrendered, he could be used to save people.

John 2:23-25

The cross was enough then and it will always be enough now. The love of God is enough.

God's perfecting in us is not in our ability to produce but rather to abide.

Stop trying to produce and just start abiding in Him.

"No forward motion goes untested."

1 John 1:1-4

He realized he didn't have enemies but mission fields.

You can't escape your Nineveh.

Most people desire a book of Acts church, but what God is really after is a 1 John type of heart.

You chase after his heart, you will get what is in his hand.

A Dynamic Christian will;

- Pray fervently (relationship with God)
- Fast often (separate themselves from the world)
- Give generously (If you haven't started, start now)

## **LIFE GROUP QUESTIONS:**

- Based off of our first lesson taught last week, what does a dynamic church look like?
- How does Jesus exhibit how dynamic he was in John 12:12-19?
- In Mark 3:13-19 Jesus started to surround himself with dynamic people. Who were these people?
- What flaws did the duo in the above question have when they were called? Why did Jesus still call them to be dynamic?
- Give an example of how you have grown into becoming a dynamic Christian? What kind of growth have you seen since Jesus called you?
