Worship and the Word of the Lord

Most people know the conviction and the anointing that brings repentance. God wants to bring to you the anointing that leads you to victory.

Ezekiel 2:1-5

Stand Up, I want to speak to you!

You are a child of God. The same power that raised Christ from the Dead lives in you.

Psalm 78:41 (NKJV)

Limited defined

confined within limits, restricted or circumscribed

Matt 9:29, Matt 8:3, Matt 9:29, Matt 8: 2-3

They took the limits off of Jesus!

Your faith connected with God's unlimited power can see a world changed with the gospel!

Matt 10:1, Psalm 78:41, Psalm 78:1-6

One's limiting doubt will be seen in the coming generation's faith. Your doubt will not stop with you, it will go to them. Anything we won't confront in faith in our generation will be left for the next generation that will cause them to question their faith.

Psalm 78:41

1. You can limit God by your silence, Psalm 78:56
 - Your silence can be two ways:
 - Not speaking about what God has done
 - Not speaking about what God WILL do!
2. You can limit God by changing your level of surrender, Psalm 78:57
3. You can limit God with your high places, Psalm 78:58
4. You can limit God by worshipping what he created rather than worshipping Him, Psalm 78:58
5. You can limit God by NOT believing for more... Psalm 78:32, Hebrews 11:6
 - The people in danger of limiting God the most are usually the ones who have seen God do the most.

Job 1:1-5, Job 42:10

There are 2 ways you can make a faith statement;

- Giving (Give Generously, Give Consistently, Give Joyfully)
- Serving
