### **DISCUSSION QUESTIONS:**

- What has the Lord been revealing to you from last week's message from Pastor Bill Wilson entitled "God Dreams"?
- If you had to boil down Sunday's message to one thing, what is most important for us to remember?
- In this week's message, we heard the testimonies of individuals in scripture and in the church. Which testimony did you resonate the most?
- The challenge this week is for each of you to share your testimony within your group! Spend a few short moments praising God for what He has done in each of your lives.
