Guide:

Our new series for the month of December is titled "The Thrill of Hope". We would like you to spend some time reading some scripture and answering these few questions as we dive into a wonderful new series.

Questions:

- Read Colossians 1:3-6. What can Biblical hope be defined as?
- Based off of the message preached by Pastor Jason and the scripture in Colossians 1:3-6, is hope rooted in the past, present, or future?
- Read Romans 5:3-5. How does the Holy Spirit have an association with hope?
- Read 1 Peter 1:3-5. Is hope living? If so, how has hope shown itself real to you?
