This information from Jonell did not make this meeting but do to the wonderful way these needs are presented I thought I would include this in the minutes. Please Read!

*From Jonell!*

*Hey friends! I will not be making it to the meeting today. But I do have a few things on my CRKids agenda:*

*One of our kiddos needs a winter coat. So I would like permission to use some of my budget to buy him one.*

*And that got me thinking: what other practical needs can we meet for our CR families this year?*

*Every year, I buy Christmas presents for the kiddos and throw a party. This year I plan to scale it back and invite the ones that have been showing up somewhat consistently over the past year. And I want to reach out to parents and see what practical needs their kids have and buy those items first before getting them junk that will only last a day or 2. Just need approval.*

*Our Christmas party will be on December 15th.*

*Also, we are still on the hunt for a middle school leader. Iain started a new job this week and will no longer be with us. I'm preferably looking for someone who isn't going to go away to college or start their first full time job within a year of working with us.*

*Finally, I need the password for the CR Gmail account. I need access to that email address in order to manage background checks and send receipts to Community Bridges.*
