SendMeGP

2024-2025

A collective group of young adults filling the gap-Ezekiel 22:30

Background:

Thank you for your interest in the SendMeGP Discipleship program . “SMGP” is starting in the fall of 2024 with the intent of raising up young people to impact their world for the cause of Christ. We have a desire to teach and train young people to do what God has called them to do and pursue His plan for their lives. SMGP is different from most other programs because we do not want your life to be put on pause. Not everyone is called to full time ministry and even if you are, most pastor’s still need to be able to thrive in the workforce. Therefore, along with our intern days, Berean bible college, and activities, we encourage our students to also take classes at our local community college(Rogue Community College), and/or get a part time job. So you will not only be trained for your calling spiritually, but will be advancing the natural side as well. My wife and I have been in youth ministry since 2017 and are passionate about sharing what we've learned .

We are grateful for the amazing opportunities God has given us and want nothing more than to share them with the next generation. So if you are looking for a place that challenges you and gives opportunities for outreach, evangelism, missions trips, day to day mentorship and so many more incredible opportunities then this discipleship program is for you! We endeavor to pass along anything of value that we may have by sowing into the leaders of the next generation. If you are ready for an intense discipleship and outreach program then you have found the right place. Please look through the packet and allow God to challenge you as you make one of the greatest decisions of your life. If you have any questions please don't hesitate to contact us, and we look forward to seeing if SendMeGP is the next step for you.

Overview:

SendMeGP is a 1-2 year discipleship program where young adults have the unique opportunity to build a foundation with Christ while still having the flexibility to attend a local community college or work at a job to help support their financial needs. This discipleship program has a wonderful design created where all kinds of people can receive all kinds of perks. To explain, if there is a young adult that is wanting to attend 1 day a week to help institute a daily routine to dive into the Bible and develop a relationship with Christ outside of the weekly Sunday services, there is a path for them. If a student wants to be involved 2 days a week, and not only develop that relationship with Christ but also learn what it means to serve a church by being involved in outreach opportunities, missions trips, and weekly discipleship opportunities from pastors, then they have a path as well.

If there are any students who plan on going into full time ministry, we have a path that will allow them to complete their ministers license through an Assemblies of God accredited university within this 2 year program. This 3 day program will allow for these full time interns to also receive pay for their help in the ministries they will have direct impact with. The overall goal of this program is to build up disciples who will become lead pastors, worship leaders, lay leaders, church communication directors, children ministries pastors, church secretaries, missionaries, and anything else that the Lord is calling these young adults to do.

Sunday's/Wednesday's (sit 2 serve 2):

-Attend Sunday services as a member of the body. Take notes, listen to the message intently, enter into worship fervently and listen to the voice of God when he speaks so that you can be fed spiritually.

-Attend Sunday services as a servant over your ministry tracks. Help support the leads over your respective tracks by helping the church the way Jesus helped; by teaching, by feeding, by serving, and by healing (Luke 22:27)

-Attend regularly scheduled leadership meetings, outreaches, prayer events, and church wide events.

Trips scheduled:

Foundational Program, Flex Program and Full Time Program (1 Year/2 Years):

-In all three programs, our interns will have the opportunity to take at least 1 trip to a conference. The reason for this, is for our Interns to be fed spiritually from not only our pastoral staff here but to hear some well known speakers and worship leaders who will help give a new fresh wind of The Holy Spirit that we can use in our town of Grants Pass.

-In all three programs, our interns will have the opportunity to take at least 2 trips serving in some outreach for our home church and some smaller churches with needs.

-In all three programs, our interns will have the opportunity to take an intern retreat to receive some great time in fellowship and community as we disciple them into young men and women of God.

***Mission trips are also a possibility based on intern engagement, desire, and extra finances raised.**

Bible College Credentials:

-The goal for our Foundational program is to have every student develop a routine to dive into their Word and further establish a consistent prayer and study life which in turn will create a steady relationship with the Lord.

-The goal for our Flex program is to have every student be certified under the assemblies of God to be a minister of the gospel.

-The goal of our Full Time program is to have every student have the ability to apply to become a licensed minister under the assemblies of God.
