LEGACY

RESTORE • REBUILD • REVIVE

LOVE GOD. LOVE PEOPLE. ALL IN TOGETHER.

Parkway Christian Center exists as a demonstration of Heaven on Earth. A church community that places Christ at the center and lives life together to the fullest.

FIVE YEAR VISION TO IMPACT THE WORLD

1000-Growing Church • 100-Equipping People
10-Releasing People • 1-Loving one person at a time

We will be a HOUSE of PRAYER

We recognize the birth place for all kingdom work starts with prayer. Prayer is God's strategy for impartations, revelation and transformation. Christ commands in Mark 11:17 "Is it not written, 'My house shall be called a house of prayer for all the nations?'"

We will be a HOUSE of BLESSING

We believe we are blessed to be a blessing through the giving of our time, talent and resources in our local and global community.

We will be a HOUSE of WORSHIP

We desire to honor God by being a dwelling place for His presence because we believe it changes everything. We commit to seeking first the Kingdom of Heaven, here on Earth.

We will be a HOUSE of HEALING

We believe in a God who has provided for our healing through the atonement of Jesus Christ.

We will be a HOUSE of TRUTH

We are committed to studying, understanding, preaching, and practicing the totality of the infallible Word of God.

Generation after generation stands in awe of Your work; each one tells the stories of Your mighty acts.

PSALM 145:4 (MSG)

RESTORE

The best way to honor your past is to have a vision for the future.

REBUILD

Rebuilding its physical and organizational structures to match the dynamic church we are created to be.

REVIVE

Allowing an atmosphere where revival in Southern Oregon multiplies. Revival is not coming. It is here. The God of then, now and tomorrow.

LEGACY PROJECT

INNOVATION

Legacy project is our commitment to innovation.

- Hiring church positions not usually seen, i.e. Community Outreach Director, Resident Assistant/Counselors for Bible College Dorms and Recovery Programs etc.
- Catching up digitally, i.e. Podcasts that dive deeper into topics outside of Sunday Service and Blogs that reach people asking questions on search engines (i.e. Google + YouTube)
- Cutting Edge Digital Ministry: reaching all corners of the world, using digital devices and technology for ministry and evangelism.

ORGANIZATIONAL STRUCTURES

Legacy Project is our commitment to structures that lift rather than burden.

- Guest Services
- Community Outreach (Rise24, Sports Outreaches, Rock the Block)
- Church Governance

FUTURE CAMPUSES

Legacy Project is not just for our community but for our world.

- SendMeGP
- Bible College
- Satellite Campuses in Southern Oregon and reaching Globally.

PHYSICAL STRUCTURES

When your building alters your ministry, your ministry needs to alter the building.

PHASE 1: LAUNCH OF THE LEGACY FUND (\$20K)

Hire a Capital Campaign Company (such as Building God's Way or similar company) to provide functional plans, putting our vision on paper.

PHASE 2: PRAYER CHAPEL + LOBBY (\$75-100K)

Refresh Lobby and update functionality (such as for first time welcome guests) and to use as an outreach area (Fri-Sun). Update Prayer Chapel for 24/7 use.

PHASE 3: WORSHIP CENTER - STRUCTURAL (\$250-300K)

Solutions for weeping walls, add dry wall, flooring, pews/chairs, stage update, ceiling, and baptismal.
